

**Issue 40, dated 09/13/04, of the Subcontractor Requirements Manual includes:**

**PRD-2007, rev 3**

Permanent Field Change #103580 was incorporated into the revision 3 at this time. This included changes in section 3 to provide for training for the operators.

Dar #111382 covers - Sections 1, 2, and 3 - changes to insure the crane operators meet minimum job qualifications to safely operate cranes, establish the criteria for an exemption to operate mobile crane and establish the criteria and training requirement for the Person-in-charge of hoisting and rigging operations.
